

Looking for a career with professional growth in a close-knit, fun atmosphere? Alvine Engineering offers the perfect balance of technical and professional growth. We're big enough to deliver cutting-edge experience, small enough to know your name. We think you are going to like Alvine Engineering.

We have an opportunity for a Senior Mechanical Engineer in our Lincoln, Nebraska, office.

## **Job Responsibilities:**

- ▶ Performing overall project management to meet project objectives.
- ▶ Designing and assisting in the production of documents to meet project schedules, including sizing of equipment, ductwork, and piping.
- ▶ Having a strong knowledge of codes and related mechanical/HVAC industry standards.
- ▶ Reviewing mechanical documents for areas of conflict with all disciplines.
- ▶ Participating in construction administration by processing shop drawings, responding to RFIs, and performing site visits during the construction phase.
- ▶ Coordinating with architects, interior designers, team engineers, and specialty sub-consultants.
- ▶ Planning, organizing, and leading technical projects and teams.
- ▶ Conducting QA/QC on the work of other mechanical engineers and technicians.
- ▶ Ensuring the preparation and timely delivery of accurate, complete, and value-added documents.
- ▶ Identifying and implementing ideas that will save our clients time and money.
- ▶ Developing and maintaining client relationships.
- ▶ Participating in project pursuits, including interviews and strategy positioning.

## **Qualifications:**

- ▶ Licensed Professional Mechanical Engineer.
- ▶ 10 to 15 years' mechanical design experience.
- ▶ Software proficiency with AutoCAD, energy/load simulation software, and Microsoft Office.
- ▶ Ability to work in a team environment and set and manage priorities.
- ▶ Excellent people skills and strong oral and written communications skills.
- ▶ Places emphasis on relationships.

## **We Offer:**

- ▶ Professional development opportunities, including training and mentoring programs; organization and professional registration; and tuition and technology reimbursement programs.
- ▶ Medical, dental, vision, and life insurance benefits, as well as supplemental insurance through AFLAC.
- ▶ Generous 401(k), profit sharing, and discretionary bonuses.
- ▶ Progressive wellness benefits, including fitness reimbursement and volunteer time off.
- ▶ Relocation assistance.
