

Looking for a career with professional growth in a close-knit, fun atmosphere? Alvine Engineering offers the perfect balance of technical and professional growth. We're big enough to deliver cutting-edge experience; small enough to know your name. We think you are going to like Alvine Engineering.

We have an opportunity for a Mechanical Engineer in our Omaha, Nebraska, office.

### **Job Responsibilities:**

- ▶ Providing HVAC, HVAC system controls, plumbing, piping, and fire protection design.
- ▶ Assisting in scheduling, budgeting, phasing, site issues, and design review issues.
- ▶ Investigating code requirements.
- ▶ Identifying and implementing ideas that will save our clients time and money.
- ▶ Ensuring the preparation and timely delivery of accurate, complete, and value-added documents.
- ▶ Assisting with construction administration tasks by processing drawings, RFIs, and completing site visits during the construction phase.
- ▶ Serving as a liaison between clients, agencies, subcontractors, and the design team.

### **Qualifications:**

- ▶ Bachelor's Degree.
- ▶ Registered Engineer (P.E.).
- ▶ 5-10 years' design experience.
- ▶ Ability to work in a team environment and set and manage priorities.
- ▶ Excellent people skills and strong oral and written communications skills.

### **We Offer:**

- ▶ Professional development opportunities, including training and mentoring programs; organization and professional registration; and tuition and technology reimbursement programs.
- ▶ Medical, dental, vision, and life insurance benefits, as well as supplemental insurance through AFLAC.
- ▶ Generous 401(k), profit sharing, and discretionary bonuses.
- ▶ Progressive wellness benefits, including fitness reimbursement and volunteer time off.
- ▶ Relocation assistance.
