

Looking for a career with professional growth in a close-knit, fun atmosphere? Alvine Engineering offers the perfect balance of technical and professional growth. We're big enough to deliver cutting-edge experience, small enough to know your name. We think you are going to like Alvine Engineering.

We have an opportunity for a Senior Mechanical Engineer in our Lincoln, Nebraska, office.

Job Responsibilities:

- ▶ Performing overall project management to meet project objectives
- ▶ Designing and assisting in the production of documents to meet project schedules, including sizing of equipment, ductwork, and piping
- ▶ Having a strong knowledge of codes and related mechanical/HVAC industry standards
- ▶ Reviewing mechanical documents for areas of conflict with all disciplines
- ▶ Participating in construction administration by processing shop drawings, responding to RFIs, and performing site visits during the construction phase
- ▶ Coordinating with architects, interior designers, team engineers, and specialty sub-consultants.
- ▶ Planning, organizing, and leading technical projects and teams
- ▶ Conducting QA/QC on the work of other mechanical engineers and technicians
- ▶ Ensuring the preparation and timely delivery of accurate, complete, and value-added documents
- ▶ Identifying and implementing ideas that will save our clients time and money
- ▶ Developing and maintaining client relationships
- ▶ Participating in project pursuits, including interviews and strategy positioning

Qualifications:

- ▶ Licensed Professional Mechanical Engineer
- ▶ 10 to 15 years' mechanical design experience
- ▶ Software proficiency with AutoCAD, energy/load simulation software, and Microsoft Office
- ▶ Ability to work in a team environment and set and manage priorities
- ▶ Excellent people skills and strong oral and written communications skills
- ▶ Places emphasis on relationships

We Offer:

- ▶ Professional development opportunities, including training and mentoring programs; organization and professional registration; and tuition and technology reimbursement programs
- ▶ Medical, dental, vision, and life insurance benefits, as well as supplemental insurance through AFLAC
- ▶ Generous 401(k), profit sharing, and discretionary bonuses
- ▶ Progressive wellness benefits, including fitness reimbursement and volunteer time off
- ▶ Relocation assistance
